

CHRIS HOWARD

Senior Project Manager

Chris worked as a Building Surveyor for eight years prior to joining DAY PM as an Assistant Project Manager. He is a positive, motivated professional who has delivered schemes through healthcare, education, commercial, ecclesiastical and transport sectors. Chris has excellent knowledge of construction and contract administration, enabling the outstanding, detailed delivery of projects.

Since joining DAY PM, Chris has undertaken his NEC contract accreditation and worked on a range of complex schemes, including theatre and infrastructure projects, as well as the exceptional Greater Manchester Major Trauma Centre. These challenging schemes have built on his existing knowledge and developed him into a highly proficient Senior Project Manager.
